

Defender-HQ

CVE Verified SDVOSB

DUNS: 095607061 CAGE Code: 7YFA9

NAICS Codes: 334510 / 339112 / 339113 / 423450

Defender-HQ is a Service-Disabled Veteran-Owned Small Business (SDVOSB) medical device, equipment, and supplies provider to government hospitals and care centers.

My resolve to support our Servicemembers and Veterans is, and always has been, unwavering – whether as an Army brat, a cadet at West Point, an officer in the U.S. Army, a surgical patient in multiple DoD and VA hospitals, a healthcare professional, or an SDVOSB founder.

Backed by expertise acquired from 20 years of medical device and equipment sales and sales management, Defender-HQ honors our Servicemember and Veteran patient populations by offering uncompromising care through an innovative and best-in-class medical device and equipment portfolio.

Defender-HQ is pleased to announce recognition as an Authorized Distributor/Reseller for:

Becton Dickinson Interventional Surgical Segment: **V. Mueller** and **Snowden-Pencer** Products
12,000+ Lines of Open and Minimally Invasive Surgical Instruments, Retractors, Containers, and Detergents

Precisely Tracks and Traces Medication Throughout the Entire Drug Supply Lifecycle
RFID Critical Inventory Management: Pharmacy, Anesthesia, Smart Cabinets, Automated Waste Witness Software, Analytics

Bio-Electric Stimulation Technology (BEST™) Neuromodulators
Noninvasive Neuromodulation (High Voltage Pulsed Current - HVPC) for Long-Lasting Relief of Pain in Clinical and Home Use

IZI Medical
